

Give from the heart. 
 Spring Care-a-thon 2020 | March 23-27

Scripture tells us that everything we do flows from our hearts. So what are you filling your heart with? When you listen to Spirit Catholic Radio, you have the opportunity to nourish your heart, mind and soul through prayer, teachings and holy conversations. That's the case for the listeners you'll encounter inside this newsletter (find their stories inside).

If listening to Spirit Catholic Radio is important to you, consider making a pledge during our Spring Care-a-thon. Supporting this radio apostolate helps change hearts and minds - drawing them closer to Christ and His Church. Imagine the good that your donation can do!

Also, starting now, your gift will be matched 100 percent thanks to members of our Challenger Club, who are offering to match donations dollar-for-dollar--an incredible opportunity to double the impact of your gift. You don't have to wait until the week of the Care-a-thon to make your gift and have it matched.

How has Spirit Catholic Radio filled your heart? I challenge you to prayerfully consider this and to consider making a gift to help keep Spirit Catholic Radio on the air. May God continue to richly bless you and your family.

In Christ,

Jim Carroll

Scottsbluff Expansion

Spirit Catholic Radio is excited to announce that we have begun broadcasting on Spirit 99.3-FM KETT. Spirit Catholic Radio was formerly heard in Western Nebraska on 95.1-FM KCTH-LP, on a low-power FM station that reached approximately a 12-mile area. The 99.3-FM KETT signal will reach an approximately 60-mile radius, allowing more people to be reached by the network's programming.

"Spirit Catholic Radio is thrilled for the opportunity to reach even more people in Western Nebraska," said Jim Carroll, executive director. "We have already seen great support from the good people in the Scottsbluff/Gering area and we are looking forward to providing faith-filled radio programming that's free and available 24/7."

Thanks to your support in 2019, our 20th year of broadcasting, we were able to help even more people encounter Jesus.

From the Hearts of Listeners Like You:

"Spirit Catholic Radio, through the North Platte station and through the app, made last spring one of the more spiritual Lents for me in a long while. Lent is usually a difficult balancing act with the internal tug to slow down and enter the season, versus the need to work long hard hours to prepare the fields and plant the crops. I keep a Rosary and holy card on the rear view mirror of my tractor, but fatigue tugs at my good intentions. Spirit Radio is a God-send and keeps me plugging along with my spiritual life. Thank you so much for live listening via the app. What a blessing you have been to my spiritual preparation for Easter." -North Platte listener

"The programming is wonderful. I listen daily to the Rosary, morning prayers, daily Mass, and most days to the Divine Mercy Chaplet. I am a home care nurse, so I am in my car all day. My faith has grown so much with the help of this radio station. I have shared this with others who have found the same." -Eastern Nebraska listener

"I just wanted to let you know that I recently had a miscarriage, and God used your radio station to comfort me. I had just left my 20-week ultrasound and found out that my baby's heartbeat had stopped a few weeks prior. I had to drive home alone, and I decided to turn on the radio. Fr. Larry Richards was speaking and I usually associate Fr. Larry with topics that apply more to men, since I know he speaks at a lot of men's conferences, so I was greatly surprised to hear his topic of the day. He was talking about losing a loved one, and then specifically about miscarriages. He talked about how we should not be sad for those babies because they are seeing the face of God right now, and how they will never have to go through any of the difficulties of this world. I felt like it was God speaking directly to me just when I needed to hear those words. I thought you would like to know how God used the radio station." -Anonymous listener
