

Reclaiming

THE CULTURE

"Thank you, Spirit Catholic Radio for all you do to spread the Catholic faith in an era of doubt and immorality."

Care-a-thon
- April 1-5 -

Dear Listener,

By the time you receive this, we'll have just kicked-off our 25th Anniversary festivities with our "Silver" Spirit Celebration Dinner featuring Dr. Ray Guarendi and his talk "Reclaiming the Culture begins with Me". What a wonderful evening of faith-filled people coming together to pray, give thanks, reflect, be strengthened, enjoy a fabulous meal and have a few laughs. Each year I see the Spirit Celebration Dinner as one large family meal. Our many thanks to Dr. Ray and the friendship we have developed over the past 22 years as workers in the vineyard.

We look forward to our Spring and Fall Symposiums featuring some of the top Catholic authors, speakers and apologists in the country. We hope you can join us and be sure to invite a friend!

Care-a-thon is just a few short weeks away and we hope to be able announce the completion of our last three expansion signals in the Valentine, Ogallala, and O'Neill communities. It's been a long road to have those signals join the Broken Bow signal that was launched the end of last year. Our listening family continues to expand - but we need your help. We are fueled by your prayers as well as your financial support and we really need both at this time. Ask the Holy Spirit how you are meant to fulfill your role as a follower of Jesus Christ. Ask yourself "What can I do to help Reclaim the Culture?" We are looking forward to the coming year and rejoice in the many blessings God has bestowed!

In Christ's peace,

Jim Carroll

PRAYER FOR THE MISSION

Heavenly Father, with grateful hearts, we thank you for the apostolate of Spirit Catholic Radio. We ask your continual blessings upon it, and its mission of evangelization. We also ask your special blessing upon all who share in its mission by their temporal and spiritual support. Help us to be witnesses of the love of Jesus in our lives and in its continued presence in our midst. Amen.

Expansion

UPDATE

Three signals remain in the current expansion project, noted by yellow circles on the map to the left. Spirit 90.5 in Ogallala, 91.5 in O'Neill, and 91.9 in Valentine are at various stages of construction.

We ask you keep our engineering team, tower and land owners in your prayers as logistics get worked out.
